# **BOIL WATER RESCIND NOTICE**

Bacteriological samples collected from the **Vermilion Bay Drinking Water System** indicate that the water is safe for human consumption. **Therefore, the Boil Water Advisory issued by the Municipality of Machin on January 23, 2019 is hereby rescinded.**

Residents are advised to flush their taps for 5-10 minutes to flush water from their local plumbing and ensure fresh water is being drawn from the water distribution pipes.

**For additional information, please contact:**

Tammy Rob, Municipality of Machin
