MOVED BY: L. Chandler

SECONDED BY: J. Poirier

THAT the Minutes of the previous meeting of August 21, 2018 be accepted as presented. **CARRIED**

5. Old Business

5.1 White Pine Trail Repairs - Update

Everything that needed to be completed was done with the help of the Public Works crew, committee members and Dennis MacKenzie. Big thank you to everyone for a job well done.

But during the work party it was found that the birding platform has started to settle and needs to be reinforced underneath. The Committee will check to see if the repairs need to be completed this fall or if it can wait till spring next year.

5.2 Katimavik Trail Interpretative Signage - Update

Marcia asked Drew if his students did any write-ups to use and they were apparently sent to Marcia on google drive. Marcia will check to see if she can find them and if not the Committee will have to do write-ups for the Trail.

6. New Business

6.1 Graffiti at Nick's Lookout

Very disheartening to have individuals vandalize the hard work of other people. Thank you to Public Works crew for quickly cleaning the spray painted graffiti up. Hopefully this will not happen again.

6.2 Work Party date (planting maple seedlings; attach Katimavik Trail bench plaque)

Tuesday, September 25, 2018 at 9:30 am at the waterfront.

The Committee is recognizing National Forest Week, September 24-28, 2018, by planting 6 red maples at the waterfront. There are diseased poplar trees marked at the waterfront to be cut down and more trees to be cleared at the lookout seat where the fence is, Public Works will help with this. Once the existing trees are removed 6 red maples will be planted in their place. The remaining maples, around 10, will be taken to Lloyd and Anita's for the winter.

If the plaque recognizing the Bergagnini family is ready it will be attached to the bench on the Katimavik Trail.

7. Next Meeting Date

The next meeting will be on, Tuesday, October 9th, 2018, at 10:00 a.m. in Council Chambers.

8. Adjourn: The meeting adjourned at 10:22 a.m.
