

# Machin Messenger

Serving Minnitaki, Eagle River, Vermilion Bay

And surrounding area

February

## Municipal Notes

### COUNCIL NEWS

We hope you and your family get a chance to enjoy the COVID friendly outdoor activities that our area has to offer. Family day is on February 21<sup>st</sup>, a great day to get outside and spend some quality time with your family. We'd like to thank all residents for cooperating with COVID-19 lockdown requirements and taking the safety measurements seriously to keep everyone safe. Although tough, we hope it is our last lockdown and we can slowly integrate back into our normal routines.

Mentioned in the December Messenger was the harvesting of trees at the Machin Airport due to the Pine Budworm devastation; we are happy to say we received upwards of \$50,000 now that the harvesting is complete. This money will be allocated to an Economic Development Fund which will be used to advance economic opportunities for the Municipality. With many development grants still pending, this fund will be used towards covering the Municipality's portion to carry out the potential projects.

Our Mayor, Council, Clerk Treasurer, and EDO participated in the KDMA virtual conference on January 19<sup>th</sup> and 20<sup>th</sup>. Presentations from the Northwestern Health Unit, KDSB, and the Kenora District Homes for the Aged were all on the first day of the conference. Each talked about the current status of projects and future outlooks for the district. Minister Rickford, Minister Clarke, Associate Minister Tibollo, and Minister Sylvia Jones were all present for the second day of the conference and took the time to talk with KDMA members as well as answer questions about our issues we face in Northwestern Ontario. We'd like to thank the city of Dryden for virtually hosting the event and putting together all the informative presentations on both days.

Council and Staff have created a new Volunteer Recognition Policy for our community. The new policy will recognize volunteers and/or community groups for the hard work they have done to better the community. We are looking for members of the community who are interested in being a part of the new Volunteer Selection Committee. For a short period of time each year, members of the Committee will be responsible for reviewing volunteer nomination forms and determining the most suitable winner for each award. If you are interested, have questions, or would like more information on the com-

mittee or the policy procedure, please contact a member of Council and/or municipal office employee.

### Economic Development

I unfortunately have to start off with bad news. We were declined by the Ontario Trillium Foundation for fitness and playground equipment to be installed at the Pine Tree Park waterfront. Disappointing, but we will continue to pursue this project as more funding becomes available.

The government started the Northern Ontario Resource Development Support Fund which is strictly for northern municipalities to use for certain resource development impacts. This is a five-year program where our Municipality will be given \$74,636 each year to put towards projects that pertain to resource development. We have applied for our funds from year 1, 2, and part of year 3 to go towards the costs of the major construction repairs and engineering work that took place at the Cascade Bridge this summer/fall.

A website design has been approved and our new website is officially in the development stages. We cannot confirm a timeline but hope to have the new site up and running sometime in March. When the website is completed, it will feature our promotional video which was shot in July of 2021. We will be releasing the completed video with our new website to try and promote the area and the businesses involved. With your support and the support of other organizations, we hope to see the video reach a large variety of viewers.

ENJOY FAMILY DAY ON FEBRUARY 21, 2022!

## MESSENGER DEADLINE

Submissions for the Machin Messenger must now be in by the **LAST WEDNESDAY** of the month, by noon. Since the Messenger is published on the first Thursday of the month, the deadline will change if the 1st is on Thursday. We will put reminders in the month before. **The deadline for the February Messenger will be Wednesday February 23rd.** Send your submissions to [pilmar@sympatico.ca](mailto:pilmar@sympatico.ca), subject line "Machin Messenger". Ads will need to be pre-paid prior to insertion in the Messenger.

**Please Note: The Machin Office will remain closed to the Public for the month of February. Please drop your payments in our mail box to the left of the main door, or call 227-2633 for assistance.**

## Municipal Notes cont'd

### New Logo:

Thank you to everyone who submitted a potential logo for the Municipality in December. After careful considerations we have finally chosen a new logo. Congratulations to Greg Dayman whose submission was chosen as the winner! Thank you, Greg, for the hard work and effort that went into creating this for us.

### Council Check-In

This month we would like to take the time to highlight the responsibilities and work done for the Municipality by Councillor Ray Pilkey. Councillor Pilkey, like most Councillors, can be considered a "Jack-of-All Trades" and is our Council rep for Public Works as well as the Revitalization Committee. The Revitalization Committee members volunteer their time to focus and work on the beautification of our community. Many projects from the past year can be noticeably seen in different areas of the Municipality. Also, a member of the Vermilion Bay Lions Club, Councillor Pilkey can be seen volunteering and helping with their many events in the community like the pancake breakfasts, Christmas dinners, fish fries, highway clean up, and many more. This is currently his first term on Council. When asked about his experience, Councillor Pilkey said "I've learned a lot and have en-

## MESSENGER ADS

If you wish to advertise in the Machin Messenger, please call the Municipal Offices at 227-2633 to find out the charge for your ad. Ads will need to be pre-paid.

**Property Owners in Vermilion Bay with Aqua Flow units are reminded to turn them on to prevent your water from freezing. Please ensure that they remain on until the middle of April. Should you have any questions please call Shawna Alberts at 227-2064.**

### Attention Machin Tax payers!

**2022 Interim Tax Bills were mailed out on January 24, 2022. The Interim Tax Bills are due February 28, 2022. If you have not received your tax bill please contact the Municipal Office at (807) 227-2633. Failure to receive tax notice does not relieve the taxpayer from payment or taxes nor liability for late payment.**

joyed working with residents to try and better our community". Mayor and Council would like to thank Councillor Pilkey for all the time and behind the scenes work that he has put in to continue to improve our community.

### Woodland Arena

The Arena and Gym are open once again to the public now that the lockdown restrictions have been lifted. If you're interested in booking a time or inquiring about public skating, please contact Louis Robichaud at 807-227-2833 or 807-216-8756.

### Eagle River Outdoor Rink

Public Works staff were unable to complete ice preparation prior to the holidays due in part to water pump failure. We hope that as you read this article local skaters will be enjoying the rink with friends and family. We would like to thank residents for their patience.

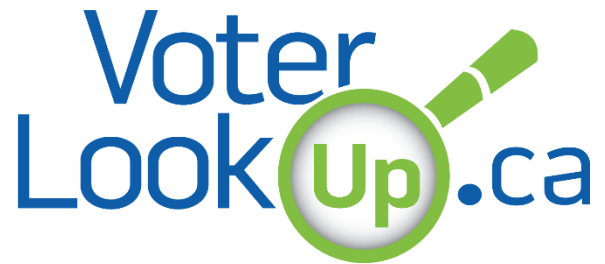

Valentine's day  
14 February

The Highway Traffic Act R.S.O. 1990, C. H.8, S. 181 states: "No person shall deposit snow or ice on a roadway without permission in writing to do so from the Ministry or road authority responsible for maintenance of the road". The penalty on conviction is a fine of \$105.00.

MUNICIPAL  
PROPERTY  
ASSESSMENT  
CORPORATION

Please check to make sure your name is on the Voters List  
for the 2022 Municipal Election.

### Need a Ride to Dryden?

### Try Out Our Seniors Bus.

This is a Door to Door Service – you do not have to worry about parking or walking. We drop you off right at the door of your medical appointment or essential shopping and return to pick you up.

The cost is **\$10.00 per person** to ride to and from Dryden on Tuesday or Thursday. Should you have mobility issues both getting on and off the bus or shopping and carrying your items, you will have to bring along a companion.

Please call the Municipal Office at 227-2633 to book your ride or if you have any questions.

You do not have to be a senior to use this service. Any adult can ride, however seniors do come first for this service.

Covid-19 restrictions apply: Masks are mandatory, along with social distancing, and hand sanitizing on the bus. The Driver will explain this to you upon pick up.

## **EMPLOYMENT OPPORTUNITY**

The Municipality of Machin is seeking applications for

### **Seniors Bus Assistant Position**

**(Assist passengers on the bus with their parcels)**

**(up to 15 hours per week @ \$17.67 per hour)**

**Interested applicants must be 18 years or older. Please submit their resume no later than February 11, 2022 to:**

**Tammy Rob, Clerk-Treasurer**

**Municipality of Machin**

**Box 249, 75 Spruce Ave.**

**Vermilion Bay, Ontario**

**P0V 2V0**

**or**

**Fax to: 807-227-5443**

*Only those selected for an interview will be contacted.*

## Feb Stay Alert, Slow Down and Stay in Control – The Three Key Elements of Safe Winter Driving

What should you do before winter driving, especially when a longer distance? Be Prepared!

Make sure your vehicle is mechanically ready.

Keep a well-stocked winter survival kit in your vehicle.

Have warm winter clothing and boots in your vehicle in case you become stranded.

Let someone know of your destination and expected time of arrival.

Check weather and road conditions before heading out. You may need to allow yourself extra time for travel, or wait until conditions improve.

Ensure fuel tank is sufficiently full.

How should you drive in winter weather? Slow down!

Always exercise caution and drive according to highway and weather conditions.

Be alert. "Black ice" is invisible. Black ice will make a road look like shiny new asphalt. Pavement should look grey-white in winter.

- Do not use cruise control. Loss of grip on ice can cause your car to accelerate if using cruise control. Winter driving requires you to be in full control at all times.
- Reduce your speed while approaching intersections covered with ice or snow.
- Drive with low-beam headlights on. Not only are they brighter than daytime running lights but turning them on also activates the tail lights which makes your vehicle more visible.
- Lengthen your following distance behind the vehicle ahead of you. Stopping distance on an icy road is double that of stopping on a dry one.
- Steer with smooth and precise movements. Avoid sudden turns of steering wheel and abrupt braking or accelerating as these can cause skidding.
- Be aware and slow down when you see a sign warning that you are approaching a bridge. Bridges are likely to be icy even when there is no ice on the ground surface, (because bridges over open air freeze faster and stay frozen longer than roads which tend to be insulated somewhat by solid ground.)
- Be patient and pass other cars only when it is safe to do so.  
Keep a safe distance back from snow plows.

What should you do if you get stuck or stranded in the snow? Don't panic!

- Avoid over-exertion and over-exposure to the cold. Cold weather can put extra stress on the heart and contribute to the hazards of over-exertion. Sweaty clothes next to the skin are not good insulators against the cold, increasing how cold you feel. Change into dry clothes where possible.
- Stay in the car for safety and warmth - Do not leave the car for assistance unless help is very close and it is safe to walk. It is easy to get disoriented in a blizzard.
- Turn on flashing lights or set up flares.
- Run the car engine occasionally (about 10 minutes every hour) to provide heat (and to conserve fuel). Ensure that the tail exhaust pipe is free of snow and keep the window opened slightly (on the side shielded from the wind) to prevent the build up of carbon monoxide when the engine is running.
- Bundle up in a blanket. If there is more than one person in the car, share - two people sharing blankets will be warmer than either person alone in a blanket.
- Wear a hat and scarf - the head and neck are major sources of heat loss from the body.
- Monitor for any signs of frostbite and hypothermia.
- Do not fall asleep. If there is more than one person in the car, take turns sleeping.  
Do not stay in one position too long. Do some exercises to help the circulation - move arms and legs, clap your hands, etc.

For a smoke/carbon monoxide alarm, information about volunteering or any questions, contact Machin Volunteer Fire and First Response through Facebook and Instagram: @machinfire, email: machinfire@bellnet.ca, phone: 807-227-2056 or mail: PO Box 249 Vermilion Bay ON P0V 2V0

*Thank you to family, friends, co-workers, and neighbours for your unwavering support for Rolly & I before and after his passing.*

*Thank you to all who prayed, phoned, sent texts, cards, food, made donations, gave "real" hugs and air hugs.*

*Thank you to friends and neighbours who tended to snow removal, garbage detail and more.*

*Your thoughtfulness, caring, support will always be cherished.*

*I am truly blessed with many awesome people in my life.*

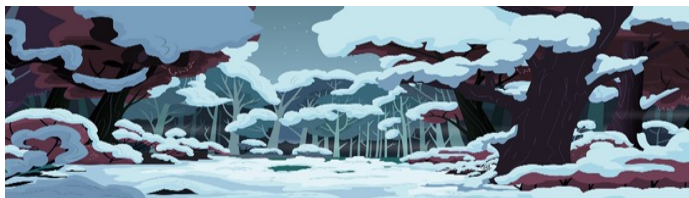

*Much Appreciation, Irene Ollis - (Aho).*

**Looking for donations of dressers for the Salvation Army store in Dryden. If you have one that needs a new home call Sharon at 227 5289 for pick up. Needed for our Children's department. Thank you.**

## Lillian Berg School –January 2022

We started the New Year with great hopes to welcome our students back in class! Unfortunately, virtual learning was mandated for the first 2 weeks this month. Technology is a wonderful thing, but to have students walking in the hallways, chatting, playing outside, and socializing in person, no level of technology can compensate for this. Now that we are back for in school learning, we hope to remain in this position.

The last month of 2021, students in Grades 4 to 8 participated with "Dairy Farmers of Ontario's (DFO) SICK KIDS CAMPAIGN!" Each one wrote a Christmas Wish and positive message to a child / parent/ caregiver / Essential Care Worker, who was either too ill to be home or had to work during the holidays. The cards were distributed to Children's Hospitals in Hamilton, Ottawa, Toronto and Montreal. In addition, a donation of \$ 500.000 was made by DFO to the Sick Kids Foundation. Provincially, over 6,500 cards were collected and at least 100 of them came from our area schools.

Ms. Cain's Kindergarten class learned about making traditional Christmas cookies, and of course, made them "from scratch"! Where the ingredients were produced and how they are processed, before they are on store shelves, was part of the lessons. We submitted our photo collages of this project to be entered in "Grain Farmer's of Ontario's 'What's your Food Story?'" visual arts contest. If we are chosen as a winner of art supplies, is not yet determined.

We are grateful for being the recipient of a big variety of hats, mitts and neck warmers. There is always a high demand for dry mitts! THANK YOU very much to our Community members, Mrs. Parsons, Scott and Karen Skene of Skene Lumber for their donation of new warm socks from their Aunt Alta's Sock Program. The Skene's donated 50 pairs of socks to the school so we can make sure that all of our students have warm, dry socks to wear during these cold winter months

Our school signed up with Ontario's "Bee Science" Club. Towards the spring we will be able to watch virtual apiary activities and learn more about bees from an apiarist (Bee Farmer). Without bees and other pollinators we would only have 1/3 of fruits and vegetables on the supermarket shelves, and not considering all the By-Products made from F&V! Hoping, we can learn on how to enhance habitats, and recognition of pollinators' contribution to our lives.

A School Fundraiser has started for "Little Ceasars Pizza Kits". The profits from this fundraiser will go towards school activities. The due date for orders is: February 4<sup>th</sup>! If you are interested in a purchase, and would like a flyer, please contact the school @ 227 - 2152.

Wishing for our students and our school community to stay healthy and active, even when it's almost too cold on some days!

Kind Regards,

Lillian Berg School

## Kin Korner

The Vermilion Bay Kinsmen and Kinettes sadly announce the loss of member Colleen Canan, Happy to Meet Sorry to Part.

The Vermilion Bay Kinette club delivered cards and ice candles before Christmas to all of the senior apartments in Vermilion Bay and Eagle River .

Left, Tasha Doudiet prospective member and President Debbie Landry

Left, Tasha, Deb and Ken McEwen, and President Debbie.

L to R Debbie Landry, Marie Miles, Past National President Brian Cooper, Lesley Tourond and Colleen Canan

## **ONLINE COVID-19 SELF-ASSESSMENT**

**Do you have any cold or flu like symptoms and not sure if you should be self isolating?  
Or have you been in contact with someone with COVID-19?**

The self- assessment tool is there to guide you if you have symptoms or have been in close contact with someone else who has symptoms. This self-assessment tool will help guide you through the correct steps to take to help minimize the spread of COVID -19.

<https://covid-19.ontario.ca/self-assessment/>

## **REMINDER OF OUR ONLINE SCREENING LINK**

The Points North Family Health Team has an ONLINE screening tool. This is the screening that we do prior to anyone entering the clinic. To help save us and you time, please try to complete this prior to coming for your appointment.

**It can only be completed the day of your appointment.**

Please ensure you wear a surgical mask or well fitted equivalent and sanitize your hands after entering clinic. You must communicate your screening results with the clinic and wait to be told it's clear to come in by calling or texting 807-323-3245

The link to the screening tool can be found on our website [www.pointsnorthfht.com](http://www.pointsnorthfht.com)

Scan this QR code with your smart phone to go directly to the link

## **FEBRUARY IS HEART HEALTH MONTH**

February is Heart Month, a time to bring attention to the importance of cardiovascular health, and what we can do to reduce our risk of cardiovascular disease.

Heart disease affects approximately 2.4 million Canadian adults, and is the second leading cause of death in Canada.

Ways you can reduce your risk,

- Stop smoking ( ask about our smoking cessation program)
- Make physical activities a regular part of your daily routine.
- Manage everyday stress
- Getting enough sleep
- Make healthy food choices
- Monitor blood pressure ( ask about our hypertension program)

Please contact the Points North FHT to book an appointment if you have any question or concerns. 227-2675

## Lions Lines

February reminds us of past snowmachine derbies. Unfortunately, due to bad winds and blow-down on the trails, a derby is not possible this year. However, the Lion's are planning a breakfast for February twelve. Please see our poster for the **Pancake Breakfast** on **Saturday February 12<sup>th</sup>** in this issue of the Machin Messenger, our Facebook page, and posters around town. It has been a long time since we were able to get together with the community hope to see you all there.

We are planning another raffle for Father's Day. Tickets will be out soon to our members.

All events happening at our hall are on our Digital Sign in front of the hall.

Our general meetings are the first Wednesday of each month at the Lion's Hall.

If you are interested in joining contact our Membership Chair Forrest Mann at 755-2189 or [membership@vermilionbaylions.org](mailto:membership@vermilionbaylions.org).

Want to advertise on our digital sign contact [digitalsign@vermilionbaylions.org](mailto:digitalsign@vermilionbaylions.org)

The Vermilion Bay Lions Club has their own website <https://www.vermilionbaylions.org/> Join us on our Facebook page at <https://www.facebook.com/vbaylions/>

For hall rentals contact **Al Koroniak at 220-1107** or [rentals@vermilionbaylions.org](mailto:rentals@vermilionbaylions.org)

Our Lions club also lends out medical equipment for free – hospital beds, bathroom equipment, stair climber, walkers, motorized wheelchairs, scooter, lifts, etc. Contact **Gary Hutchison at 227-2449** or email [medicalequipment@vermilionbaylions.org](mailto:medicalequipment@vermilionbaylions.org)
