Demolition Grant

As part of the Community Improvement Plan (CIP), this grant is to promote the demolition of dilapidated, vacant, or unused buildings, structures, or infrastructure on property that may be used for commercial or industrial purposes. A demolition permit will be granted and waste disposal fees at the Municipal landfill site will be waived for one demolition project at the respective site.

Property owners are responsible for applying for grant & demolition permit, contacting all utility companies for shutoff and safe disconnects, physical demolition, transporting and sorting of materials at Municipal landfill site.

Demolition and clean-up must be completed no later than 6 months after application approval.

This incentive will only be offered to eligible properties where there is potential for rehabilitation and/or redevelopment of the property with commercial or industrial uses.

Applicable project areas are all commercial and industrial developments located within Community Improvement Project Area A or Area B. (See map on website under CIP)

Any costs incurred prior to approval of the application are deemed ineligible. There is no retroactive funding.

The Municipality of Machin reserves the right to limit the amount of tonnage to the landfill site if deemed necessary.

All work must be approved by the Municipality of Machin CIP committee before proceeding if applying for grant.

Compliance with other municipal policies or regulations will continue to apply.

The Municipality of Machin reserves the right to request additional information from the applicant.

Please see www.visitmachin.com for more details under the Community Improvement Plan.
